Call for Presenters

SMART 2020 Annual Convention

March 16-17, 2020 – Orlando, FL

The Secondary Materials and Recycled Textiles Association (SMART), invites you to share your knowledge, ideas, and experience through participation as a presenter at the SMART Annual Convention. **We are actively seeking presenters and topics for 45-60-minute educational session presentations. You may submit a proposal via email to heather@kingmgmt.org. Proposals must be submitted by October 1, 2019 for consideration.**

About SMART: An international trade association, SMART strengthens the economic opportunities of our diverse membership by promoting the interdependence of the for-profit textile recycling industry segments and provides a common forum for networking, education and advocacy. SMART members use and convert recycled and secondary materials from used clothing, commercial laundries and nonwoven, off spec material, new mill ends and paper from around the world.

About the Annual Convention: SMART’s annual gathering of members is geared to provide education on relevant topics to the industry and business, great networking opportunities, business sessions and, updates on issues of concern to SMART members. Approximately 120 SMART members attend this convention.

SMART is looking for speakers/panelists on the following topics for 2020:

- Freight industry and challenges
- Sustainability
- Future of Used Clothing/Textile Recycling
- Closed Loop/Circular Economy
